

HARMFUL ECOTOXIC  
KEEP OUT OF REACH OF CHILDREN

**MCGREGOR'S**

# PATH & PATIO

## LONG TERM WEED CONTROL

WILL TREAT 48m<sup>2</sup>

- ✓ One application controls weeds for up to 12 months
- ✓ Kills grasses and broadleaf weeds

**Concentrate**

200ml

**KILLS**

GRASSES

BROADLEAF

**WARNING ECOTOXIC:** May cause damage to organs through prolonged or repeated exposure, causes eye irritation, may cause an allergic skin reaction and suspected of damaging fertility or the unborn child. This non-selective herbicide is very toxic and is residual in the soil for up to 12 months, plant species and aquatic organisms.

**HAZARD CLASSIFICATIONS:** 6.4A, 6.5B, 6.8B, 6.9B, 9.1A, 9.2A

**ACTIVE INGREDIENTS:** 50g/litre of amitrrole, 100g/litre of glyphosate and 375g/litre of terbuthylazine in the form of a soluble concentrate.

**PRECAUTIONS:** Keep out of reach of children. Read label completely before use. This material may be harmful if swallowed. When mixing and spraying, wear eye protection, waterproof gloves, long trousers and closed in boots. Avoid contact with skin, eyes and inhalation of spray mist. Wash hands and exposed skin thoroughly after use and before eating. Wash contaminated clothing before re-use. Do not eat, drink or smoke when using. Store in original container. Do not contaminate aquatic environments with concentrate, spray or empty containers. Avoid spray drift or run off onto garden areas or lawns. Keep children and pets off treated areas until spray has dried. Not for use on or near food or animal feed crops.

**FIRST AID:** If contact with skin occurs wash thoroughly with soap and running water, if contact with eyes flush immediately for several minutes with water. If swallowed, DO NOT induce vomiting, give a glass of water and call a Doctor or The National Poisons Centre on 0800 764 766.

**STORAGE:** Store in original container, tightly closed, securely away from children and foodstuffs.

**DISPOSAL:** Dispose of the container with domestic rubbish after triple rinsing and adding the wash to the spray mix.

**GENERAL INFORMATION:** McGregor's Path & Patio is a broadspectrum weed killer for the control of a wide range of annual and perennial grasses and broadleaf weeds. It will kill existing weeds and provide residual control by preventing seeds from germinating for up to 12 months.

**DIRECTIONS: SHAKE WELL BEFORE USE.** For the control of weeds in gravel and cobblestone areas such as driveways, paths, patios, courtyards and in bareground along fence lines. For best results apply evenly at a rate of 1 litre per 6 square metres over area to be controlled ensuring thorough wetting of existing weeds. Do not apply if rain is likely within 4 hours. Apply carefully during still weather as spray drift can damage desirable plants. If the product drifts onto desirable plants during application, hose off immediately.

**APPLICATION RATE:** Mix 25ml to 1 litre of water to treat 6 square metres.

**HSNO APPROVAL CODE:** HSR001761
