WOODY & SCRUB WEED CONTROL

MAKES UP TO **8L**

- ✓ Kills stumps to the roots and prevents regrowth
- ✓ Use on tough woody and perennial weeds

Concentrate

200ml

KILLS

FENNEL

BROOM

WARNING DANGER: Causes damage to organs through prolonged or repeated exposure. Very toxic to the soil environment and harmful to aquatic life with long lasting effects.

HAZARD CLASSIFICATIONS: 6.1D, 6.4A, 6.9B, 9.1A, 9.2A, 9.3C, 9.4C
ACTIVE INGREDIENTS: Contains 100g/litre 2,4-D and 50g/litre Dicamba as amine salts in the form of a soluble concentrate.

PRECAUTIONS: Keep out of reach of children. Read label and completely before use. This material may be harmful if swallowed. When mixing and spraying, wear eye protection, waterproof gloves, long trousers and closed in boots. Avoid contact with skin, eyes and inhalation of spray mist. Wash hands and exposed skin thoroughly after use and before eating. Store in original container. Do not contaminate aquatic environments with concentrate, spray or empty containers. Do not eat, drink or smoke while using. **Keep children and pets off treated areas until spray has dried. Not for use on or near food or animal feed crops.**

FIRST AID: If contact with skin occurs wash thoroughly with soap and running water. If contact with eyes flush immediately for several minutes with water. If swallowed, DO NOT induce vomiting, give a glass of water and call a Doctor or **The National Poisons Centre on 0800 764 766.**

STORAGE: Store in original container, tightly closed, securely away from children and foodstuffs.

DISPOSAL: Dispose of the empty container with domestic rubbish after triple rinsing and adding the wash to the spray mix.

DIRECTIONS:

WOODY SCRUB WEEDS: Broom, Fennel, Inkweeds, Lupin.
Mix 25ml per 1 litre of water and spray weeds when they are growing actively.

BROADLEAF WEEDS: Buttercups, Cape Ivy, Convolvulus, Docks, Sorrel and Thistles.
Mix 25ml per 1 litre of water and spray weeds when they are growing actively.

TREES AND STUMPS: Poplar, Privet, Willow and other trees that resprout from a stump.
Mix 10ml per 50ml of water and paint freshly cut stump, or ring bark the stump and paint the exposed surface.

WARNING: Apply carefully during still weather as spray drift can cause serious damage to desirable plants. Do not replant treated areas for 6 months.

HSNO APPROVAL CODE: HSR000371
